I'm the creator of these Collections!

The reason why i leaked my own Collections which i used to sell is because
"Sanix" resold them & scammed people.

So i just decided to leak them and it got Viral on the Media.

Enjoy :)

PS: This is a reupload only, i will make another Thread soon with brand new Combolists collections

I'm the creator of these Collections!

The reason why i leaked my own Collections which i used to sell is because
"Sanix" resold them & scammed people.

So i just decided to leak them and it got Viral on the Media.

I Say No To The Feds

Posted 19 January 2019 - 11:00 PM

Ok so since somebody already leaked collection #1 and because **SANIX** can **eat a bag of dicks** and hopefully this cuts into his sales.....

Here is the full thing, close to one tb:

txt	- 81.3 %
rar	- 14.5 %
xlsx	- 1.2 %
